**School Vision & Mission**

It is the mission of the school to provide our students with a Christian education that develops the whole person in the following areas: moral, intellectual, physical, social, aesthetic and spiritual; to instill in our girls a spirit of public service, and to build a firm foundation in both Chinese and English.

**Our School**

**History of Heep Yunn School**
Heep Yunn School is a Sheng Kung Hui grant-in-aid school for girls. It was established when two schools founded by the Church Missionary Society - the Fairlea School(1886) and Victoria Home and Orphanage(1887) were merged in 1936 at the present site in Farm Road. This accounts for the name “Heep Yunn”- meaning the union of the two schools through the grace of God.

**The School Campus**
The school is located on a 11,000 sq. m. campus consisting of six building blocks: the Main Building(1936), the Gymnasium(1949), the Chapel(1957), the Extension Building(1964), the Library(1966) and the Jubilee Building(1986). Outdoor facilities include a 25-meter swimming pool, two tennis courts and two basketball courts (all multi-purpose), a rest garden, a parking area and a lawn. Other facilities include the School Hall, the Dining Room, 31 classrooms, 19 special rooms and a tuck shop. Furthermore, the school is in the process of rebuilding the existing gymnasium into a six-storey multi-purpose structure, creating approximately 475 sq. m. of floor space on each floor. This new building will house a student activity centre, a multi-purpose learning centre, a language centre, classrooms and a covered playground. It is expected to be ready for use at the end of 2004.
